

10TH ANNUAL

Harvest OF HOPE

SEPTEMBER 29, 2012 ~ 6PM

PORTLAND HILTON

CANDLELIGHTERS FOR CHILDREN WITH CANCER CELEBRATES WITH THE 10TH ANNUAL HARVEST OF HOPE. On September 29, 2012 business and community leaders will come together to support the needs of families affected by childhood cancer. This incredible night at the Portland Hilton features a unique silent auction, exceptional harvest dinner, special entertainment, and extraordinary live auction items.

The evening will also introduce Ride For A Child cyclists and celebrate the 2012 Honored Children they rode for in Cycle Oregon. Our cyclists raise funds and awareness for Candlelighters, as well as give support to an honored child. Candlelighters honored children are representative of the Candlelighters families and tell the story of the wide variety of diagnoses and ages of children who battle cancer in our community.

All net proceeds from the event benefit programs and services offered by Candlelighters For Children With Cancer, a 503 (c) (3) non-profit organization dedicated to providing support, education, advocacy and hope to all children and their families facing the challenges of childhood cancer in Oregon and SW Washington.

Help us celebrate and illuminate the night by attending the Harvest of Hope.
